

**NIMEC LIMITED**

**Fast-Easy-Amazing**

# Magnet Energy in Truck Motion

Electricity supply as an option

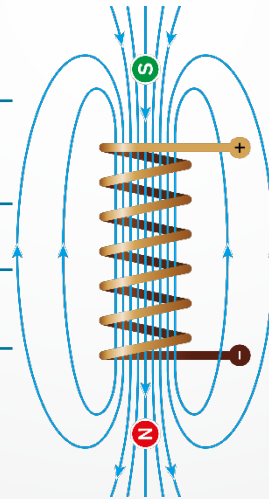

Economically beneficial

Fossil Fuel Free

Small size

CO<sub>2</sub>

Zero carbon emissions

Quick commissioning time

Multipurpose application

Modular structure

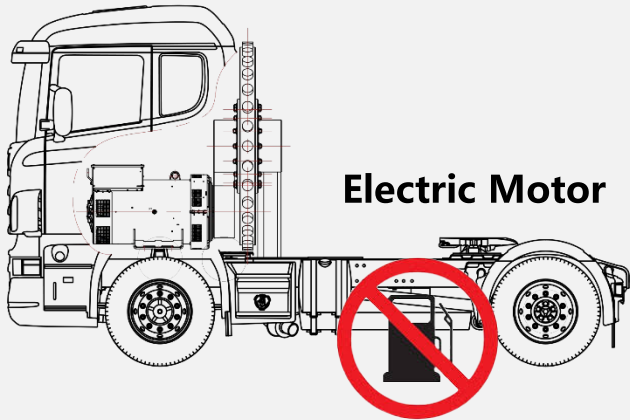

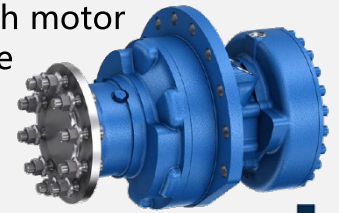

**2025**

Power Generator is coming with ship classification societies certifications, protection for harsh environments, relative humidity >95% option, patented AERP excitation system, PT100 sensors for extra security option, compact design, Leroy-Somer legendary reliability.

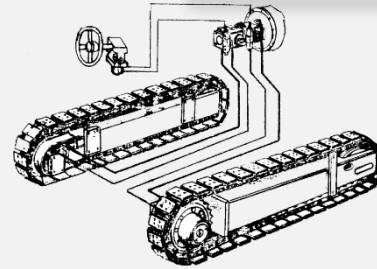

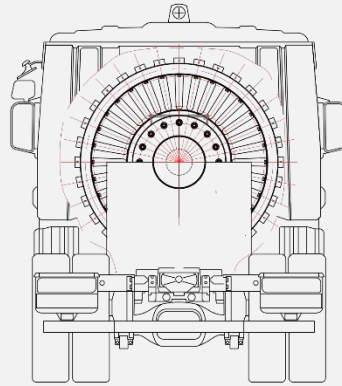

**Zero carbon emissions**

High quality hydraulic Rexroth motor hermetically connected to the gearbox. Time-tested and certified Quality. Easy Control System allow to You keep full control and with online option as well.

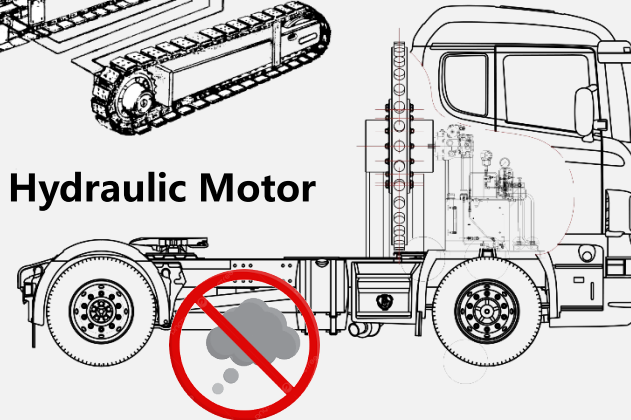

**Electric Motor**

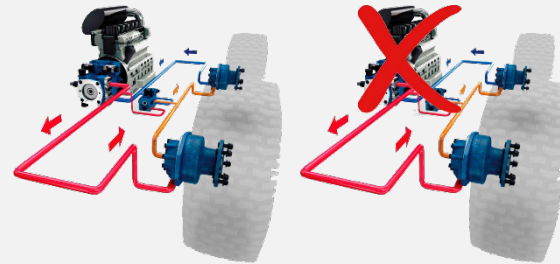

**NO Fossil Fuel is required**

**Hydraulic Motor**

**Absolutely environmentally friendly**
